2. Directors Absent-none.
3. Agenda validation- It was approved.
4. Prior meeting minutes- They were approved.
5. Public comment- none
6. Treasurer's report- It was approved. Current spendable amount is 35,089.01.
7. Committees.
 - a. Golf outing – It is scheduled for 9/19/2025
 - b. Dam maintenance- No updates.
 - c. Nominating Committee- Steve, Tony and Eric's terms were up in 2025 and all three agreed to commit to another three-year term. Officers were voted on and approved for 2026. They include Alan Freid, President, John Wesolowski, Vice President, Mark Perkins, secretary and Melody Lutz, treasurer.
 - d. PLM- The renewal of the program for 2026 is expected to be approved. A public meeting will take place on 9/23/2025.
 - e. Fish- We have raised enough money to stock the lake again with Walleye.
8. Old Business
 - a. Garage sale- This was a relatively brief meeting. The focus was re-visiting a motion that Mark had made at the previous meeting about the GWLA not sponsoring the garage sale for 2026. The garage sale is a major lake event that draws in people from outside of our Wall Lake community. Several robberies had occurred after the garage sale this year. Tim objected to Mark's motion at the previous meeting and asked to have time to talk with another nearby lake association as whether they had any issues with their garage sale. Tim reported back that the nearby lake association he talked with had had no previous or ongoing problems. Tony wanted to take a more proactive approach for 2026 and rather than to suddenly stop sponsoring the garage sale, he wanted to seek safety tips from the police. He presented those crime prevention tips at this meeting, and he asked to have them included in the fall newsletter. Mark agreed not to have his motion put to a vote. Alan stated that we would revisit this topic in March when we had our first in person meeting of 2026.
 - b. New business-none

NEXT IN PERSON MEETING MONDAY MARCH 9,2026 6:30PM DELTON LIBRARY.
